

## Industrial Grade Outlet Unites (BPS Series)

These units are designed for industrial applications such as computer cabinets, racks, and other areas where multiple outlets are needed.

All models are UL1363 or UL60950 approved and come standard with a 15 Amp or 20 Amp circuit breaker, mounting hardware (clips snap & slide), and a lifetime warranty. On/Off switch available for all models. The 20 Amp models are complete with 20 Amp circuit breaker, wiring, switch and 20 Amp duplexes.

### Features

- Heavy Duty Aluminum Housing
- Circuit Breaker Standard
- 6 or 15 Foot Power Cord
- Twist Lock Plug Available
- UL1363 & UL60950 Approved
- Lifetime Warranty
